Modus Operandi

Suzanne Harttmann works in career development and outplacement for senior executives and high potentials across a broad range of international organisations. She has been in this business since 2001 and offers tried and tested methods, structured approaches and a confidential and enabling environment that will help her clients devise and realize a career strategy geared to results.

Career to Date

From 2000 to 2013 Suzanne Harttmann was Senior Executive Consultant of SKP Dr. Stoebe, Kern & Partner, a privately-owned Germany based consultancy for international career transition management. She was also Central Coordinator of CareerNet International (CNI), a UK registered company, delivering SKP's services globally.

Prior to her time as HR and career consultant, Suzanne Harttmann has held a number of senior international public relations management and Press Officer roles in different industries, including the SCHLESWIG-HOLSTEIN MUSIK FESTIVAL, OTG (market leader tea), MONTBLANC (writing instruments) and NDR (TV).
